2018	The project has completed. Due to the extensive damage discovered during the inspection process, it was not feasible to rehab and a new, 750,000 tower was installed. As this project was started prior to the new Section 3 guidelines becoming effective, this information is not required for this project. The amount that has been inputted in the labor hours is only a snapshot of hours, due to IDIS requiring input information in order to proceed in IDIS.
